## Three Easy Ways

### To find an Alpha Dental Plan Provider

1. Use the Provider Directory provided to you in the enrollment packet. You must select a provider when enrolling. The number in column 3 of the directory needs to be placed to the right of the Alpha Dental Plan selection on the enrollment form. You can change providers at any time. All family members must see the same provider for treatment.
2. Go to [www.betadental.com/alpha19/](http://www.betadental.com/alpha19/) and enter the zip code of where you wish to see a participating Alpha Dental Plan provider.
3. Call our office at (303)744-3007 or 1(800)807-0706 for assistance. We are here to help!

#### Important:

All services received while you are enrolled in the Alpha Dental Plan **MUST** be provided by a participating Alpha Dental Plan provider or dental office. Non network provider services are not available.

**DENTAL PLAN WAIVER**

I have been offered the above dental plan options and I am declining participation at this time. I also understand that the next time that I may enroll in one of these plans is at the next open enrollment period only (one year from now). The only exception to this is if a qualifying event occurs.
